HDBAG needs to recruit a Chair and a Secretary to be able to continue. Encouraging everyone in Harrogate district to be wild life friendly and be aware of biodiversity was the aim when the group was set up in 2009. With biodiversity and climate change being words readily found in all forms of media today it is time to review the group's aims. Suggestions and most importantly nominations to fill the empty offices are vital at this time.

If you can't make the meeting please send nominations and suggestions to biodiversityaction@gmail.com.
